

Ali Al Yafei
Chief Executive Officer, ADASI

Ali Al Yafei is the Chief Executive Officer (CEO) at ADASI.

Since joining in 2008, Ali has spearheaded significant growth and development of ADASI in order to enhance the UAE's national security infrastructure, and to address the nation's industrial and technological aspirations. Ali Al Yafei provides strategic oversight and business direction for the company, to ensure operational and productive efficiency in delivering complex programs for the UAE Armed Forces. He also facilitates international partnerships to further the UAE national autonomous systems capabilities.

Ali Al Yafei was previously board member of ADSI, ADSB and AMMROC. Prior to joining ADASI, Ali served in the UAE Armed Forces in 1990 in their Aircraft Maintenance Program & Systems Upgrading department, followed by an appointment as the Head of Technical Supply Department in 2001. He was then seconded as a Senior Business Development Manager at Mubadala.

Ali Al Yafei holds a Bachelor's of Science Degree in Aircraft Engineering from Embry Riddle Aeronautical Engineering, USA.
