

Omaima Al Wedami
Executive Director, Finance and Corporate Services, ADASI

Omaima Al Wedami is the Executive Director of Finance & Corporate Services at ADASI.

Having worked at ADASI for a decade, she has widespread experience across a range of functions. She led all aspects of financial stewardship for the company, including budgeting, financial analysis, legal, and IT. She consolidated multiple processes and systems, which created efficiencies while reducing staffing needs and established monthly reviews of financial metrics with the CEO and Directors that aided in identifying trends and enhancing profitability. Furthermore, Omaima creates annual budgets and incorporates forecasted

volume, mode split, revenue, headcount, new initiatives, and tax obligations.

Omaima Al Wedami was previously a board member at Piaggio and served in the UAE Armed Forces Directorate of General Purchasing for 12 years.

Omaima holds a Bachelor of Science Degree in Business Science from Zayed University, UAE.
